(Australia, Canada, Japan and the US)
- **ONR resources**

# Topics of interest to Nuleaf members

- **Hinkley Point C**
- **SMRs – NDA sites**
- **Fusion**
- **AGR Stations**
- **Interim and site end states**
- **GDF**
- **Transport**
- **LA Planning/PINs**
- **Access to information**

# Stakeholder engagement

- Effective stakeholder engagement is key to establishing and maintaining trust
- We want to be recognised as a global influencer of regulatory standards and practices, retain public trust, and increase our accessibility and reach
- Local Authorities (LAs), Site Stakeholder Groups (SSGs), Local Liaison Committees (LLCs) and NGOS are an integral part of our stakeholder engagement approach
- Apologies for the oversight – options to improve

**Thank you**  
**Questions?**
