

Meeting: Nuleaf Steering Group
Date: 7th March 2023
Item: 8
Subject: Format of Steering Group meetings
Author: Catherine Draper

1. Recommendations

That Nuleaf's annual Steering Group meeting format will be three online meetings and one in-person meeting, incorporating a site visit when appropriate. The Steering Group may choose to amend this format at any point.

2. Background

2.1 Since the on-set of the Covid-19 pandemic, Nuleaf's meetings have been held almost entirely online. This has resulted in an increase in attendance, and the opportunity to hold ad-hoc topic-based meetings as required.

2.2 In 2022, Nuleaf held three Steering Group meetings online and one in-person visit which incorporated a site visit to the Hinkley Point C visitor centre and held a networking opportunity for participants.

2.3 At the Steering Group meeting held on 15th December 2022 the Chair directed the secretariat to propose at a future meeting that the format of three online meetings and one in-person meeting (with site visit when appropriate) be adopted as an ongoing format for the Steering Group.
